The South Dakota REALTORS® is proud to offer a unique leadership team seminar for its 2020 state and local association volunteer leaders and staff.

The program will provide a basic overview of the roles and responsibilities of elected leaders, committee volunteers and association staff. Beyond the basics, the program will include provocative ideas that will drive discussion about how and why, some Associations are transforming their governance structure to respond to volunteer time constraints and technology tools of 2020!

Come to the session with an open mind and ready to participate in honest discussions about moving your Association from "Good to Great"!
